Dear Parent/Carer

## **SAR Report**

Firstly, we would like to thank you for the valuable feedback you gave us on the first SAR report that you received last term.

Having listened carefully to the points you raised we have reviewed the format of the reports and integrated the elements that your feedback indicated were important to you and your child.

Consequently, we have made the decision to provide you with an additional report in the updated format.

The reports will now include both the child's end of Year 11 target grade as well as an end of year 11 predicted grade which will be colour coded.

You will receive this report towards the end of the week beginning 3<sup>rd</sup> February so that you can refer to it at the forthcoming Parents Evening and the Options Information Evening that follows soon after.

Thank you again for taking the time to help us improve our reporting system. As ever, we are a stronger community working in partnership.

Yours sincerely

G Long
